Royce Brook Golf Club  
Hillsborough, NJ  
800-434-FORE (3673)

## Information About Autism & The Foundation

This year's event will benefit the Drive for Autism Foundation, a public foundation that was established in 2002 by the Trezza family which has donated over \$350,000 to not for profit groups that serve children with autism spectrum disorders.

This is the Foundations 10th golf event and we want to thank all who have supported us over the years. Previous recipients of grants have been the Union County Education Services Foundation, Crossroads School, The Children's Institute, Eden II/Genesis Programs, Morris Union Jointure Commission, Seton Foundation & Education Partnership for Instructing Children. The children come from various counties in NJ and NY.

The children in these programs typically have difficulty with speaking, interacting, and playing with others, and relating to the outside world. Autism prevents them from being schooled in classrooms in traditional classroom settings.

Autism is a neurological condition characterized by impairments in social, communicative and behavioral development. A recent study showed children diagnosed with Autism Spectrum Disorders 1 in 94 births in NJ. The number for boys is 1 in 60. There is no cure for autism, but our best chance of enhancing these children's lives is through appropriate early intervention and school based programs.

## Registration Form

Single golfers are welcome or  
My golf foursome includes:  
Please complete fully

Golfer #1: \_\_\_\_\_

Address: \_\_\_\_\_

E-mail: \_\_\_\_\_

Golfer #2: \_\_\_\_\_

Address: \_\_\_\_\_

E-mail: \_\_\_\_\_
